General Meeting

There will be no general meeting of the HCA for the month of June. Instead we invite all of you to come to the annual Hillandale Neighborhood Dinner which will take place on June 22nd. Look at the back side of this bulletin for details. Since we are back in Cresthaven ES for this year's dinner space is limited so reserve your dinner as soon as you can

Get with the Program

There has been a big change in technology over the past few years. One result is the growing number of people who now use email. Now there is a way to stay abreast of community developments in Hillandale. A new Hillandale listserv has been created for all interested parties. It will serve as a virtual bulletin board and community discussion group for the neighborhood. Meet your neighbors, seek contractor recommendations, and discuss issues important to the Hillandale community. To join us, please send a message to Hillandale_Community-subscribe@yahoogroups.com

Church of our Savior

In July, the Church of our Savior will be welcoming its new rector, the Reverend Robert Harvey. He and his wife Anne will become Hillandale residents and will reside in the McKinney house just behind the church parking lot. We wish the new reverend a hearty welcome to Hillandale and hope that his stay with the church will be fruitful one.

Hillandale Swimming Season

Yes, it is that time of year again. You got to get out and work on that tan and get a little exercise. Might we recommend either one of Hillandale's two community pools.

The West Hillandale Swim Club is located on Schindler Drive and features a 25 meter "Z" shaped pool and a separate fenced-in baby pool. The club is open from Memorial Day through Labor Day. For more information you can visit their web site at: <http://westhillandalepool.org/> or call: 301-445-8330

The Hillandale Swim and Tennis Association is located on Green Forrest Drive and features a 25 meter "L" shaped pool and separate fenced-in baby pool as well as two lighted tennis courts. It is also open from Memorial Day through Labor Day. You can check out their web site at: <http://www.freewebs.com/hsta/> or give them a call at: 301-434-4409

Found a sick or hurt wild animal- perhaps a baby bird or squirrel or maybe a little snake? Second Chance Wildlife is an all-volunteer organization located in Gaithersburg that takes in injured or young animals that can't survive in the wild. For more information check out their web page at: <http://www.scwc.org/> or call them at: 301-926-WILD. Note, if you see or are dealing with a larger animal such as a raccoon or possum, call Animal Control. Do not try to handle the animal.
