September 28: HCA General Meeting

Town Hall: An Open Community Discussion

The kick-off meeting for the Hillandale Citizens Association's program year is a Town Hall Meeting, including discussion by invited representatives from Montgomery and Prince George's Police Departments.

Although Hillandale is known as a calm and safe area, criminal activity can and does happen. Here's an opportunity to have your questions answered and learn more about local efforts. Since HCA's Crime Watch is critical to ensuring safety and promotes neighborhood communications, all members of Crime Watch — Block Captains and District Organizers — are urged to attend. Joseph Branch, HCA's Vice President and Crime Watch Chair will lead the discussion.

HCA President John Thomas will report on recent HCA Executive Board activities. And, the community will be asked to approve HCA's budget (see below).

Come learn more about your community and your association by attending and participating in the meeting held at CHI, 1500 New Hampshire Avenue, on Wednesday, September 28, refreshments at 7:15 p.m.; meeting: 7:30 to 9:00 p.m. Come early or late, just please be part of your citizens association.
